¹ "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.

² Tick whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where your corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

³ Throughout this form, where you are given two or more options to select, you can, if you wish, delete any option which is not applicable and just retain the option that is applicable. If you select an option that includes "OR" at the end of the selection and you delete the other options, you can also, if you wish, delete the "OR" at the end of the selection.

2.5	The chair of the board of a listed entity should be an independent director and, in particular, should not be the same person as the CEO of the entity.	Non-Complying	<p>Mr Gavin Coote transitioned into the role as Executive Chairman during the financial year, on 1 January 2020. Due to his executive role, Mr Coote is not considered to be an independent director. Prior to 1 January 2020, Mr Coote was Non-Executive Chairman of the Board.</p> <p>Although Mr Coote is not considered to be an independent Director, the Board considers that he continues to be the most suitable candidate as Chairman, given his past management and board leadership experience, and proven track record in effectively leading the Hydrix Board and facilitating constructive discussions of the Directors.</p> <p>The Board has protocols in place to ensure that as a collective, it brings an independent judgement to bear on issues before the Board. In particular, the Board takes measures to ensure that notwithstanding Mr Coote's dual role, it continues to be able to challenge management and hold them to account in a constructive and open manner.</p> <p>In the instances where the Executive Chairman is conflicted (or potentially conflicted) during Board discussions, the Deputy Chairman (being an independent Non-Executive Director nominated by the Board from time to time) will lead those discussions to ensure that they are held constructively and objectively. In addition, incumbent Directors are provided with appropriate professional development opportunities to develop and maintain the skills and knowledge needed to perform their role as a director effectively.</p> <p>As Directors join the Board, they undertake a comprehensive induction program, which includes the provision of information on the Company's core values, key strategies, objectives, as well as its governance framework and operations.</p> <p>The Board receives ongoing governance updates from external advisers as required, including in relation to recent legislative and regulatory changes and developments in corporate governance.
